Hi Abigail - I just need her name and who you want her assigned to once she's at LCPSC.

Hi, Emily. I am meeting with a client this Thursday who is already an A2A client through Tri-County in Aurora. She just moved to Laclede County and said her case manager, Heather, told her to contact me when she got here. She wants to be transferred to us and if I remember correctly that still has to be done through your office. Please advise on how to proceed.

Thanks,
